3. Behaviour Policy

Introduction & Intent

At Talbot Primary School we are committed to providing a safe, respectful, and inclusive environment where every pupil can thrive both academically and personally. Our Behaviour Policy reflects our core values and principles, which are deeply rooted in creating a positive atmosphere that fosters physical, mental, and emotional well-being.

Our School Values

At the heart of our Behaviour Policy are our school values, which guide our expectations for pupil behaviour. These values serve as the foundation for creating a harmonious and productive learning community. We invite parents, guardians, and all stakeholders to join us in upholding and reinforcing these values, which include:

- We have a responsibility to ensure that what we do in school is worthwhile for the individual, the school and society.
- We learn best from one another and enrich each other's lives; therefore we respect each other's cultures, faiths and beliefs.
- We must prepare children so that they are able to live fulfilled lives as good and responsible global citizens by promoting honesty, integrity, empathy and trust.
- Children must strive for success, through dedication and resilience.
- We all contribute and make a difference, individually and collectively and have both the right skills and right attitude whatever our role in school may be.

Creating a Safe Environment

We intend to create a safe environment for our pupils physically, mentally, and emotionally. We are dedicated to:

- Physical Safety: Ensuring that the school premises, facilities, and activities are free from hazards and risks, providing a secure environment for all pupils and staff members.
- Mental Health and Well-being: Promoting positive mental health and well-being among our pupils by offering supportive networks in school, and initiatives that nurture emotional resilience.
- Emotional Well-being: Fostering an environment where pupils feel valued, respected, and heard, enabling them to express their emotions and concerns openly.

Inclusivity for All Learners

At our school, we celebrate diversity and are committed to being an inclusive school for all learners.

We aim to:

- Provide equal opportunities for all pupils, regardless of their background, abilities, or special educational needs.
- Promote understanding, respect, and tolerance among pupils and staff for a diverse range of cultures, beliefs, perspectives, and individual needs.
- Continuously work to eliminate discrimination, bullying, and harassment in all its forms, as per the Department for Education's (DfE) guidance on Minimum Expectations of Behaviour in all Schools.

DfE's Guidance on Minimum Expectations of Behaviour

At Talbot Primary School we are fully committed to upholding the DfE's guidance on the minimum expectations of behaviour in all schools. Our behaviour policy is designed to foster a safe, respectful, and inclusive learning environment where every pupil can thrive.

We are dedicated to:

- Setting clear and consistent expectations for behaviour, ensuring that all staff respond to misbehaviour promptly, predictably, and assertively in order to protect pupils and the learning environment, improve conduct, and deter future misbehaviour.
- Applying fair and proportionate consequences that support learning and pupil development, in line with DfE guidelines.
- Creating a positive and structured school culture that nurtures pupils' personal growth, social skills, and emotional wellbeing.
- Working in partnership with parents, carers, and the wider community to promote shared responsibility for maintaining high standards of behaviour.

By working together as a school community, we ensure that Talbot Primary School remains a place where all learners feel safe, respected, and empowered to reach their full potential.

Relationships

Our School is committed to fostering positive and respectful relationships among pupils, staff, and the wider school community. We recognise the significance of creating a safe and supportive environment for all individuals within our school community.

Communication to All

We prioritise effective and open communication to ensure that all members of our school community understand the importance of maintaining respectful and inclusive relationships. This includes pupils, parents, guardians, and staff. Our commitment to promoting healthy relationships aligns with our participation in the Trauma-Informed Schools - UK organisation.

Home-School Communication

We believe that collaboration between home and school is essential for the well-being of our pupils. We actively encourage regular communication between parents, guardians, and teachers to ensure that pupils receive consistent and comprehensive support in all aspects of their education and personal development.

Joint Working with Agencies

Our School is dedicated to providing a holistic approach to supporting our pupils' well-being. We actively collaborate with external agencies and professionals to address any concerns related to pupils' mental health, well-being, and behaviour. This collaborative effort helps ensure that pupils receive the necessary support to thrive in our school.

A Joined-Up and Community Approach

Our commitment to promoting positive relationships extends beyond the school gates. We actively engage with the local community to create a cohesive and supportive network. By working together with parents, guardians, community organisations, and local authorities, we aim to provide a comprehensive and holistic support system for our pupils.

A Fair and Transparent Approach

Our school values fairness and transparency in all aspects of our behaviour policy. We are dedicated to ensuring that our approach to relationships and behaviour is consistent, equitable, and just. Our processes for addressing any concerns or issues related to behaviour will always be conducted fairly and transparently, with the safeguarding and well-being of the pupil at the forefront of our actions.

4. Leadership and Management of Behaviour

At our School, we are committed to fostering a positive and inclusive learning environment where every pupil can thrive academically, socially, and emotionally. The leadership and management of behaviour are integral to achieving this goal. Our approach is based on the principles of the HET's Graduated Response to Behaviour, Distributed Leadership of Behaviour across all school staff, and a comprehensive system for monitoring and evaluating behaviour.

Graduated Response to Behaviour

Our Graduated Response to Behaviour is a tiered system designed to address behaviour issues in a proactive and supportive manner. This system ensures that all pupils are given the opportunity to learn and grow from their experiences, while also holding them accountable for their actions.

Distributed Leadership of Behaviour

At our school, the responsibility for managing behaviour is not solely placed on one individual or department. We believe in the distributed leadership of behaviour, where all staff members play a role in creating a positive and respectful school environment. This approach encourages a collective

commitment to behaviour management and promotes consistency in our expectations and responses.

All staff members, including teachers, teaching assistants, administrative staff, and support personnel, are trained in our behaviour management policies and are empowered to address behaviour issues as they arise. By fostering a culture of shared responsibility, we ensure that behaviour management is a collaborative effort that benefits all pupils.

Monitoring and Evaluation of Behaviour

We understand the importance of continuously monitoring and evaluating behaviour to make informed decisions and improvements. Our school uses various methods to achieve this:

Data Collection
Observation
Regular Review Meetings
Surveys and Feedback
Professional Development

5. **School Systems and Social Norms**

School Rules, Expectations, Routines, and Regulation

At our school, we believe that a structured and respectful environment is essential for optimal learning and personal development. Our school rules, expectations, and routines are designed to create a positive and inclusive atmosphere for all members of our school community. Alongside these rules and expectations all staff proactively support the development of regulation through the teaching of strategies, use of resources and through co-regulation. At Talbot Primary School we are committed to fostering a safe, respectful, and inclusive learning environment. To uphold high standards of behaviour, all staff are expected to follow DFE guidance to respond to misbehaviour **promptly, predictably, and assertively**. This approach ensures that students understand the consequences of their actions, feel supported in making better choices, and that the learning environment remains purposeful.

Communication

We have produced a handy one-page infographic for parents to support us in communicating the rules and expectations to your son/daughter, as we understand that the best pupil behaviour comes from when home and school share a united aim for behaviour. If parents could like a copy of the one page behaviour policy, please speak to the school office.

Rewards and Consequences – Fair and Transparent

To maintain a harmonious learning environment, it is crucial to have a clear and consistent system of rewards and consequences. The consequences for behaviour that does not meet our established standards are fair, age-appropriate, and designed to help pupils understand the impact of their actions. Our consequences and reward systems are transparent and shared with pupils and parents

annually additionally these systems are displayed clearly throughout the school and upheld by all staff.

- After school detention
- Loss break time
- Loss of lunchtime
- Internal suspension
- External suspension (in the most serious of cases).

Online Behaviour of Pupils

In an increasingly digital world, we expect our pupils to uphold the same values and standards of behaviour online as they do in our physical school environment. Cyberbullying, harassment, or any other form of harmful online behaviour will not be tolerated. Pupils are responsible for their online actions, and consequences for inappropriate online behaviour will be enforced in accordance with the above consequences.

Off-Site Behaviour of Pupils

We understand that pupils represent our school not only within our premises but also in the broader community. While off-site, during school events, or when wearing school uniforms, pupils are expected to exhibit behaviour that reflects positively on our school. Any violations of this expectation may result in the use of consequences outlined above.

Use of Mobile Phones

The use of mobile phones within the school is not permitted within school on order not to disrupt the learning environment and to provide a place for distraction-free learning. Inappropriate use of mobile phones will lead to appropriate consequences.

6. Behaviour Curriculum

Behaviours Linked to Our Values

At our school, our behaviour curriculum is closely aligned with our core values of **(Inset Values Here).** We believe that these values underpin the development of positive behaviours and character traits that are essential for personal growth and successful learning. Therefore, our behaviour curriculum emphasises behaviours such as:

- In class: Focus on your learning, Take pride in your work, Follow instructions from adults.
- In the playground: Play safely, Use equipment properly, Follow instructions from adults.
- Eating Lunch: Stay sat down when eating, Use quiet voices, Tidy up after you finish.
- Around school: Walk on left hand side at all times, Use quiet voices, Keep shared areas tidy.

Methods of Teaching Behaviour: A School-Wide Approach

To ensure consistency and effectiveness, our behaviour curriculum is implemented through a school-wide Teaching approach. This includes:

- **Explicit Instruction**: Teachers provide explicit instruction on the expected behaviours and skills, integrating them into daily lessons and activities.
- **Positive Behaviour Support**: We employ a positive reinforcement system to acknowledge and celebrate pupils who exhibit desired behaviours.
- **Modelling and Role-Modelling**: Staff members model appropriate behaviours, serving as role models for pupils to emulate.
- **Parent and Community Engagement**: We engage parents and the community in reinforcing the same behaviour expectations at home and within the broader community.

Some pupils may require a bespoke behaviour curriculum, in these instances, we use a Behaviour for Learning Skill Card Programme, which is personalised to the behaviour needs of the pupils may be used. The school will co-produce the curriculum of skills alongside the pupil and the parent and keep you regularly informed of the progress the pupil is making, whilst accessing the programme.

Assemblies

Regular assemblies and PSHE lessons play a significant role in our behaviour curriculum. These are used to:

- Celebrate successes
- Communicate expectations regularly
- Reinforce Values
- Promote Reflection

By integrating these elements into our behaviour curriculum, we aim to foster a school community where positive behaviours are not only taught but also celebrated and ingrained into the everyday lives of our pupils.

7. Support and Intervention for Pupils

Staff Roles in Supporting Behaviour

At our school, we believe that behaviour support is a collaborative effort involving various staff members. Our staff play critical roles in supporting positive behaviour, the core of these roles are as follows:

- Classroom Teachers: Classroom teachers are responsible for creating a safe and inclusive classroom environment. They set clear expectations for behaviour and guide pupils on appropriate conduct. They will also ensure consequences are carried out in line with this policy.
- Teaching Assistants: Teaching assistants work closely with teachers to provide additional support to pupils. They assist in implementing behaviour strategies and ensuring individualised support where needed.
- SENDCo/Inclusion Lead: Our SENDCo/Inclusion Leads oversee the identification and planning of support for pupils with behavioural needs. They collaborate with teachers, parents, and external agencies to ensure a holistic approach to behaviour support.

Emotionally Available Adults

We recognise the importance of emotionally available adults in fostering positive behaviour. Our staff are trained to be emotionally available, providing a safe and nurturing environment for pupils to express their feelings and concerns. We use the principles of Protect, Relate, Regulate and Reflect. These principles are delivered throughout Trauma-informed practice.

Identification of Pupils for Targeted Support

Pupils in need of targeted behaviour support are identified through our Graduated Response to Behaviour, using the 5 stages outlined in **Section 3** of this policy. Core aspects of pupil support are summarised below.

Time In Rather Than Time Out

Our approach to behaviour management emphasises "time in" over "time out." If a pupil needs to be removed from the classroom due to behaviour concerns, they are supported by trained adults rather than isolated. This ensures that pupils receive guidance, reflection, and an opportunity to develop more appropriate behaviours.

Universal Provision

Our school is committed to proactively using universal behavioural provision strategies to create a positive classroom environment that fosters good behaviour and pupil success. These include:

- Clear classroom expectations and routines
- Consistent behaviour management by all staff
- Positive reinforcement systems
- Emotionally available adults
- Whole-school teaching of regulation strategies
- Assemblies and PSHE lessons reinforcing values
- Targeted and Specialist Support

In addition to universal provision, we offer further support for pupils with additional needs:

- **Use of ELSA/Nurture** We employ Emotional Literacy Support Assistants (ELSAs) and Nurture programs to provide specialised support for pupils facing emotional and social challenges. These interventions help pupils develop emotional resilience and social skills.
- **Small Group Interventions** Small group interventions, such as 'Talk About' and 'Zones of Regulation,' are conducted to address specific behavioural needs. These sessions promote self-regulation and effective communication. Some pupils will access interventions such as Thrive, ELSA, Storm break, Pastoral care support, Play therapy and counselling services.
- **Precision Teaching of Skills 1:1** For pupils requiring intensive support, we offer precision teaching of skills on a one-to-one basis. This tailored approach focuses on individual needs and goals to develop essential behavioural and academic skills through a targeted IBP/IEP, which is closely tracked and monitored regularly.
- **Use of Outreach or Alternative Provision (AP)**In cases where pupils require additional support beyond what the school can provide, we may collaborate with external agencies for outreach services or consider alternative provision (AP) placements. This decision is made in consultation

with parents and relevant professionals to ensure the best interests of the pupil are met. The agencies and Local Alternative Provision we use are;

Longspee Outreach
Winchelsea Outreach
Aspire Education

8. Pupil Transition and Development

Induction and Reintroduction

At our school, we place importance on ensuring a smooth and supportive transition for all our pupils, whether they are joining us for the first time or returning after an absence. Our induction process is designed to help new pupils join our school, ensuring they feel welcome and secure from day one. We organise transition and induction sessions to help new pupils settle in comfortably and know what is expected of them.

For pupils returning to school after an absence, we understand the significance of their reintegration into the academic and social environment. Our staff work closely with these pupils and their families to develop tailored reintegration plans that address any underlying issues contributing to the absence and facilitate a seamless transition back into the school community.

Return from suspensions

In cases where it has been necessary to use a Suspension, our school follows a structured and supportive approach to their return. This involves a reintegration plan that is coproduced at a Return from suspension meeting with parents or guardians. This plan will consist of behaviour expectations, with ongoing monitoring and support to help the pupil succeed academically and behaviourally. Further details are outlined in the school's exclusion policy.

9. Expectations and Reasonable Adjustments for Pupils with SEND

At our school, we are committed to providing a safe and inclusive learning environment for all pupils, including those with Special Educational Needs and Disabilities (SEND). Our school's Behaviour Policy recognises the importance of individualised support for pupils with SEND. In line with the school Graduated Response to Behaviour, this individualised support can be given through;
- Additional adult support.
- Agreed learning intervention
- Reduced timetable (at the last resort).
- Agreed external intervention e.g. Play therapy.
- Alternative Provision off school site.

Targeted IEPs (Individual Education Plans)

Targeted Individual Education Plans (IEPs) are developed in collaboration with the pupil, parents or carers, and relevant professionals when necessary. These plans are tailored to the unique needs and challenges of each pupil with SEND and aim to promote positive behaviour and academic progress. IEPs outline specific strategies and interventions to address behavioural concerns, set achievable goals, and regularly review progress to ensure ongoing support and improvement.

Provision Mapping (for Behaviour)

Provision Mapping is an integral part of our approach to supporting pupils with SEND. Our school's staff works closely with the Special Educational Needs Coordinator (SENCO) to identify and map the provision required to meet the diverse needs of our pupils. This includes allocating resources, staff support, and specialised interventions as needed. Provision Mapping is regularly reviewed and adjusted to ensure that pupils receive the appropriate support to enable them to access the curriculum and make progress in their learning.

Behaviour response plans (BRPs)

Behaviour Response Plans (BRPs) are structured strategies used in schools to support students who exhibit challenging or disruptive behaviours. These plans are tailored to individual needs and are designed to promote positive behaviour, ensure consistency in staff responses, and create a safe and supportive learning environment. A BRP typically outlines specific behaviours of concern, identifies triggers, and sets out proactive strategies to promote safe regulation. By using BRPs, schools aim to reduce behavioural incidents, support emotional regulation, and help students engage more successfully with their education. Where possible the school will co produce a BRP with parents/carers and the pupil to ensure the most effective methods of de-escalation are used.

Risk Assessments

The safety and well-being of all pupils, including those with SEND, are paramount at Our School. We conduct comprehensive risk assessments to identify potential risks and hazards that may affect pupils' behaviour or safety. These assessments consider both the physical and social aspects of the school environment. For pupils with specific needs, individualised risk assessments are developed, and reasonable adjustments are made to minimise potential risks. The findings of these assessments are shared with parents and relevant staff members to ensure a proactive and responsive approach to managing risks.

EHCPs (Education, Health, and Care Plans)

Pupils with SEND who have Education, Health, and Care Plans (EHCPs) receive a high level of personalised support. Our school collaborates closely with the local authority and relevant professionals to ensure that EHCPs are implemented effectively. These plans provide a detailed framework for supporting pupils with complex needs, encompassing their educational, health, and social care requirements. We strive to align our school's behaviour expectations with the goals and outcomes outlined in EHCPs, ensuring that pupils with SEND are fully included in all aspects of school life.

10. Child-on-Child Abuse

We are committed to creating a safe and supportive learning environment for all our pupils. Child-on-child abuse is a serious concern, and we take proactive measures to prevent, identify, and respond to any instances of such behaviour. Our approach is guided by the principles outlined in "Keeping Children Safe in Education" (KCSIE), the statutory guidance provided by the Department for Education.

Child-on-child abuse refers to any behaviour where one pupil harms or mistreats another pupil physically, sexually, emotionally, or psychologically. It can take various forms, including but not limited to bullying, harassment, peer-on-peer sexual harassment, and violence.

Prevention is a key aspect of our approach to child-on-child abuse. We promote a positive school culture where respect, tolerance, and empathy are core values. Our efforts include:

- Regular staff training on recognising signs of abuse and effective interventions.
- Age-appropriate lessons and discussions on healthy relationships and respectful behaviour.
- Encouraging open communication between pupils, staff, and parents to report concerns promptly.
- Establishing clear expectations for behaviour through our school's values and rules.

If a child-on-child abuse incident is reported or suspected, we follow our established procedures, in line with KCSIE, to ensure the safety and well-being of all involved parties. Our response may include:

- Providing immediate support to the victim, ensuring their emotional and physical well-being.
- Investigating the incident in a fair, confidential, and impartial manner.
- Implementing appropriate sanctions and interventions for the perpetrator.
- Involving external agencies and professionals when necessary to provide additional support and guidance.

We understand the importance of maintaining confidentiality when dealing with child-on-child abuse cases. All information is handled sensitively and shared only with those who need to know, in accordance with data protection laws and safeguarding procedures.

11. Use of Force and Powers to Search

We are committed to maintaining a safe and respectful learning environment for all pupils and staff. To ensure the appropriate and responsible use of force and powers to search within the school premises, we adhere to the guidance provided by the DfE and follow a comprehensive set of policies and procedures.

DfE Guidance

Our school's use of force and powers to search policy is guided by the Department for Education's statutory guidance on "Use of Reasonable Force" and "Searching, Screening, and Confiscation." We strictly adhere to these guidelines to ensure that any use of force or searches conducted on school grounds are lawful, proportionate, and respectful of individuals' rights and dignity.

Training for Staff

To effectively implement this policy, all staff members who may be required to use force or conduct searches are provided with appropriate training. This training is designed to ensure that staff members have a clear understanding of the legal framework, the principles of proportionality, and the techniques required to safely manage situations that may require the use of force or searches.

Training Provider

Our school uses an accredited provider, SecuriCare where training is accredited through BILD (Restraint Reduction Network Standard) and ICM (Institute of Conflict Management.) Pupils who have an individual risk assessment or behaviour response plan may have physical intervention plans included in their provision.

Our school's Behaviour Policy is designed to create a safe, respectful, and inclusive learning environment for all pupils. It is our collective responsibility to uphold these standards and values to ensure that every pupil can thrive academically and personally. By adhering to this policy, we foster a culture of respect, for our school values of 'try your best, listen to others and be kind to others' that will serve our pupils well in their academic pursuits and throughout their lives.
